

VACANCY

Fibrax Ltd.
Queensway
Wrexham
LL13 8YR
United Kingdom

WAREHOUSE OPERATOR

Founded in 1902, Fibrax has been a family owned business since 1975. The companies head office is situated in Wrexham, UK with a purpose built manufacturing plant in Poland and manufacturing partnerships in both Turkey and Morocco. Fibrax are specialists in Polymer Injection Moulding, mainly working in thermosets (rubber) for the automotive industry. Due to the recent growth and expansion of the business, we now have an exciting opportunity in our Logistics' department for 2 experienced Warehouse Operators to join our team.

Key tasks for the role & desirable characteristics:

- Maintaining strong, positive working relationships
- Manage and co-ordinate a workload both as part of a team and individually
- Must be able to think practically, follow procedures and operate under own initiative
- Flexibility and the willingness to support the team and company by working additional hours where required
- Have a progressive mindset and able to positively contribute towards the site's continuous improvement initiatives
- Trustworthy, honest, reliable,

Essential Skills & Qualifications:

- Previous experience in a Warehousing role would be advantageous
- Strong computer literacy and operational understanding
- Excellent communication skills
- Excellent time management skills
- Fork Lift Truck experience would be advantageous but not essential as full training will be provided for the right candidate.

This is a full-time (Mon-Thurs 8am-5pm, Fri 8am-1pm), permanent role working as an integral part of a team reporting to the Logistics' Supervisor.

In return, the role offers a starting hourly rate of £8.52 plus benefits.

The closing date for applications is Friday 22nd June 2018.

Please apply in writing or via email, enclosing your C.V. to;

Lyndsey George
